PACKAGES

We use different packaging options depending on the product type and customer needs:

- **Bulk Packaging**

Products packed in polypropylene (PP) or polyethylene (PE) bags, or paper bags.

Typical sizes: 10–25 kg.

Suitable for industrial buyers and repacking.

- **Retail Packaging**

Pouches, cartons, or plastic jars designed for direct consumer use.

Typical sizes: 50 g – 1 kg.

Can be customized with private labels.

- **Food-Safe Standards**

All packaging materials are food-grade, moisture-proof, and tamper-evident.

Designed to keep products aromatic, clean, and safe during transport and storage.

- **Special Options**

Customized labeling and barcoding as per import regulations.

Palletization and shrink-wrapping for container loading.

Quality

At Hierbas Del Cielo, quality is our top priority.

- **We follow strict systems to ensure that every product is safe, pure, and consistent.**
- **Through Quality Assurance, we apply international standards, good practices, and preventive controls across all stages of production.**
- **With Quality Control, we carry out detailed testing and inspections to verify compliance with customer requirements.**
- **This combined approach guarantees reliable products and long-term trust with our partners.**

"Thank you for your interest in our products and company."
